**REVENUE (DISASTER MANAGEMENT-II) DEPARTMENT**

**G.O.Ms.No.03,**

**Dated:24.10.2026**

**Read the following:-**

1. National Manual for Drought Management, 2016.(Updated upto 2020).
2. From the G.A (General, L&C) Dept., U.O.Note No.6755 /Genl, L&C/2026, dt.26.09.2026 along with D.O.Lr. of Secretary to Legislature, Lr.No.195/Legn./2026-2, dt.19.9.2026.
3. U.O.Note.No.2089/D.M-II/A2/2026-1, Dt.29.09.2026 & 07.10.2026.
4. Govt.Memo.No.2089/DM.II/A2/2026-1, Dated:07.10.2026 & 13.10.2026 addressed to the Collectors & District Magistrates of Telangana State.
5. Proposals and Ground Truthing Reports submitted by the District Collectors of Telangana State.
6. Consolidated Technical Evaluation Reports from TGDPS, DES, Agriculture & Cooperation Department, TGRAC, PJTSAU, Ground Water Department and I&CAD Department, Telangana.
7. G.O.Rt.No.1523, G.A(Cabinet)Dept. Dated.19.10.2026.
8. Review meeting of the Cabinet sub-committee on El-Nino impact and Drought conditions in the State held on 23.10.2026.

\*\*\*

**ORDER:**

In the reference 2<sup>nd</sup> read above, the Secretary to Legislature has forwarded the Government Resolution on “the Rainfall Deficit Situation in the State due to El Nino”, adopted by the Telangana Legislative Assembly on 18.09.2026. The House unanimously urges the Central Government to send a central team for assessment, to sanction NDRF assistance and release its share of SDRF, and to provide crop loss and input subsidy, drinking water, fodder and groundwater and water-body restoration support. It also asks for 50 additional days of work under VB-G RAM G (with the Centre bearing the full cost), more fertilizer and 1,500 MW of additional power, a Rs. 20,000 crore special drought-relief package, an increase in the FRBM borrowing limit from 3% to 3.5% of GSDP for 2026-27, and additional assistance under Central and Centrally Sponsored Schemes with relaxed norms.

2. In the references 3<sup>rd</sup> and 4<sup>th</sup> read above, various Secretariat departments, Heads of Departments and all the Collectors & Magistrates of Districts in the State were requested to furnish detailed information and necessary proposals for declaration of Mandals as Drought affected in their Districts, in accordance with parameters prescribed under the National Manual for Drought Management’2016(Updated up to December’2020) and also to furnish action plan consisting of physical and financial requirements to implement in Drought-Prone Mandals in the prescribed proformas to the Government for taking immediate necessary further action in the matter.

3. Under the Disaster Management Act, 2005 and the Manual for Drought Management, Kharif drought is required to be notified not later than 30th October. Having regard to the Resolution adopted by the Legislative Assembly on 18.09.2026 and owing to persistent rainfall deficits recorded during the South-West Monsoon 2026, prolonged dry spells in critical crop growth stages and deteriorating soil moisture, the Government has carried out a multi-criteria scientific assessment across all Mandals in the Districts of Telangana State.

(P.T.O)

4. Automated rainfall data from OTSDPS and DES telemetry for the period 01.06.2026 to 30.09.2026 and dry-spell logs were evaluated for the mandatory Trigger 1 assessment. The Mandals were then evaluated against Trigger 2 impact indicators, taking any three of the four impact types: Agriculture (crop sown-area shortfall, Agriculture & Cooperation Department), Remote Sensing (Vegetation Condition Index, TGRAC), Soil Moisture (Moisture Adequacy Index, PJTSAU) and Hydrology (Groundwater Drought Index, Ground Water Department). The drought category was arrived at, as permitted by the Manual, in Mandals with more than 75% irrigated area. Ground-truthing sample surveys were conducted in 10% of the villages of each of the Mandal and the findings of field verification have been taken as the final basis for the intensity of drought.

5. The proposals along with Ground-truthing sample surveys received from the District Collectors together with the verified technical inputs and recommended declaration of drought in the affected Mandals furnished by the concerned Departments have been scrutinized and the proposals on Drought has been placed before the Cabinet sub committee during review meeting held on 23.10.2026. The proposal reveals that, the South west monsoon(SWM) 2026 in Telangana has been adversely affected by emerging and strengthening El-Nino conditions, weak Bay of Bengal low-Pressure systems, and Prolonged dry spells. State as a whole received cumulative rainfall of 615.5 mm as against the normal rainfall of 740.6 mm with a deviation of -17% during 1st June to 30th September 2026. with 18 of 33 districts in deficit kharif crop area reduced from 139.28 to 126.06 lakhs Acres. Paddy area reduced by 18%(from 69.19 lakh to 57.00 lakh acres) and currently live storage in Major and Medium reservoirs at 179.63 TMC against 585 TMC capacity, raising risks to drinking water, agriculture, livestock and power. The Cabinet sub Committee during the review meeting held on 23.10.2026, after considering the situation in the State has recommended to declare 365 Mandals in 31 Districts as drought affected Mandals in the State.

6. After careful examination of the entire matter and the supporting scientific material, Government hereby declares 365 Mandals in 31 Districts as drought affect Mandals specified in Annexure-II appended to this Order (i.e Severe Drought-111 Mandals and Moderate Drought-254) for Kharif 2026. The Notification shall remain valid for a period of six (6) months from the date of its publication, unless denotified earlier. Mandals not specified in Annexure-II shall continue to be monitored by the State Drought Monitoring Cell and may be added by a supplementary notification if the conditions so warrant.

7. The District Collectors concerned are directed to publish the Notification (Annexure-I) in an Extraordinary Issue of the respective District Gazettes in English and Telugu immediately. The District Authorities shall forthwith initiate relief measures, including provision of input subsidy through Direct Benefit Transfer (DBT), augmentation of drinking water supply, fodder arrangements and cattle camps where required, and employment generation under VB-G RAM G. The District Collectors shall also take up with the State Level Bankers' Committee (SLBC) the restructuring of agricultural credit and non-enforcement of coercive loan recovery, as permissible under the guidelines of the Reserve Bank of India.

8. The Agriculture & Cooperation Department shall ensure that the agricultural input subsidy is disbursed to the affected farmers through Direct Benefit Transfer (DBT) within one month from the date of receipt of Central assistance from the National Disaster Response Fund (NDRF). The lists of beneficiaries shall be published on the websites of the respective District Collectors and the State Government.

9. The Planning Department shall prepare and furnish the Memorandum to the Revenue (DM) Department, for onward submission to the Ministry of Agriculture and farmers welfare / Ministry of Home Affairs, GoI, seeking Central Assistance from the NDRF, within Seven (7) days, enclosing the Order, the Notification, Trigger 2 matrix details, and village field data for severe drought mandals.

10. The District Collectors along with the Director of Agriculture, Horticulture, Animal Husbandry, and the V.C& Managing Director of Telangana State Civil Supplies Corporation Ltd, Hyderabad, shall initiate immediate relief measures and to maintain a register of beneficiaries and expenditure and shall submit progress reports on relief operations to the Revenue (Disaster Management) Department at the intervals prescribed by it.

11. The Commissioner & Director of Printing Stationery & Stores Purchase, T.G., Hyderabad is requested to publish this order in in the Extraordinary issue of Telangana State Gazette and send (25) Copies to the Government.

12. This Order issues with the concurrence of the Finance(EBS-VII) Dept. vide their U.O.No.485/A1/EBS.VII/2026, Dt.24/10/2026.

**ANNEXURE-I**

**(to G.O.Ms.No.03,REVENUE (DM-II) Dept, Dt :24.10.2026**

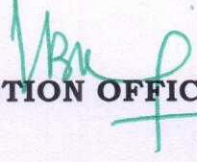

**NOTIFICATION**

In the circumstances reported by the respective District Collectors, the Government declare that drought exists during the South West Monsoon during the current year 2026 in the 365 mandals annexed to this order. The concerned District Collectors are requested to take necessary further action and notify the specific mandals in the District Gazette to enable farmers to avail credit facilities and to take up relief operations. The concerned District Collector shall ensure deletion of the notified Municipal/Urban areas from drought affected mandals though for purpose of drinking water they shall be treated onpar with drought affected mandals.

The concerned District Collectors are requested to furnish (10) copies of the District Gazette Notification to the Government.
